

In June 2015, Four12 held a European Conference hosted by Living Hope Community Church on the Isle of Man. It was a wonderful time of worship, God speaking to His people, bonding with each other and just spending our eyes turned up to our King.

Watch the clip, made by hosting church Living Hope, for more feedback from the time and to catch something of what these conferences are all about!

For more information about upcoming Conferences, please visit our [events page](#) or contact info@four12global.com.
