

by ***Andrew Selley***

Accountability is so important for a healthy church. It is too easy for a whole church to be hijacked by a few bad men if there is not accountability that goes beyond the local church. But how can we achieve accountability beyond the local church that is not either stifling control or a form of accountability that really means nothing in practice?

ABOUT THE SPEAKER

Andrew is the lead apostle of [Four12](#). He also leads [Joshua Generation Church](#) (JoshGen) and is the founder and director of [FOR SA](#) (Freedom of Religion South Africa). He is based in Cape Town along with his amazing wife Emsie and his daughter Enya. You can follow him on [Facebook](#).
