When we give up trying to control our own lives, trying to figure out solutions our way and when God allows us to arrive at the end of ourselves...it may be the very thing that not only saves our marriages, but saves 'ourselves' in the process. Who is at the top of your marriage? Duncan and Leanne share their story of restoration with us.

ABOUT THE AUTHOR

The vision for Tested (this [YouTube](#) channel) is to be a tool for evangelism amongst Oxygen Life as a church and beyond. The hope is to keep releasing testimonies from amongst Oxygen Life and to reach both within the church and outwards to those less likely to step inside the church building itself.
