INTERNSHIP PROGRAMME OVERVIEW

SCHEDULE

The internship is a full time commitment requiring at least 35 hours from Tuesday to Sunday. All interns will have a role that requires them to serve at weekend services and special events. Your individual role will be attached to a specific Living Hope congregation and this role will be managed by that congregation's eldership team.

CONTACT

Please send your request for an online application form to yoyl@livinghope.im. You will hear back from us once we have received your application, but due to high volume of applications we will only subsequently contact successful applicants for the interview stage.

HOLIDAYS AND BREAKS

All interns will get holidays after Easter, during the TT bike races, during the summer and a few weekends off of their choice.

ISLE OF MAN VISA

Candidates, if successful, are responsible for applying for an Isle of Man Visa. Currently the IOM Immigration Office charges a fee of £370 for your application.

SPONSORSHIP

The internship is a volunteer position and unpaid. However, accommodation and food is included via a host family to which you will be assigned. There are some expenses you will incur which are reclaimable. Interns must seek one-off sponsorship and/or monthly sponsorship for personal finances during the YOYL internship. We ask international candidates to prove that they have at least £2,000 saved in order to undertake YOYL. This sum is not charged as a fee but is a sum we consider proper for an intern to have saved for their personal expenses across the year in things such as travel and leisure.

INTERNATIONAL APPLICATIONS

Currently the YOYL internship is open to international applications from members of Four12 partnering churches. Please submit any questions to yoyl@livinghope.im
